2018 Kinder Kamp Registration Forms Cont. Vaccination Records

Please attach a copy of your child's current vaccination record to their physical exam form. If there is a religious objection to physical examination or immunization, the parent should fill out a Statement of Objection and Waiver Form and submit it with all registration material with the understanding that they will be notified immediately if anything unforeseen occurs.

Physical Exam

This section is to be filled out by your family physician or healthcare provider or simply attach a copy of your child's most recent physical exam. **You may also fax this form to us at 315.253.6153,**

Attn: Betsy DeGroff.

Each camper is required to have had a health examination within 12 months of KinderKamp attendance, as evidenced by a form signed by a licensed physician.

Doctor's Statement: I have examined the above named camper within the year. In addition, the medical history and immunization records have been reviewed.

In my opinion this kampers condition:

- Does not preclude participation in an active kamp program.
