Providing Opportunities to Stay Healthy & Connected During a Pandemic.

When the Executive Order to shut down on March 16th came into place, the Auburn YMCA – WEIU, Your Y, pivoted into action to find new and creative ways to help support our communities.

Your Y was able to complete the education of over 130 pre-school aged children virtually.

Your Y provided virtual exercise so people could stay healthy in spirit, mind and body. Your Y supported the American Red Cross and hosted 2 blood drives during a desperate time. Your Y was one of the first organizations to step up and provide safe outlets for our youth to participate in day camp and youth sport programming.

In addition, Your Y made over 650 "compassion calls" to help people stay connected and check on their welfare.

This is Your Y which has been in action for over 160 years even, during a pandemic. Your Y plans to be here for another 160 years through all times and know that you can count on Your Y even during the extraordinarily tough times.

" My boy comes home every day tired, hungry, dirty and filled with stories about his day. From water balloon fights to a dirt slide, he is smiling while telling us all about it. We wouldn't change a single thing. After spending months basically alone with his father and I and his infant sister, he needed this. Thanks a million!" - Camp Y- Owasco Parent
