CHILD & BABYSITTING SAFETY

A course for building a safe and successful babysitting business.

ASHI's Child and Babysitting Safety (CABS) gives teenagers everything they need to know for safe and successful babysitting. From getting started with their business, to dealing with parents and children, to key safety, caregiving and first aid tips.

TOPICS COVERED:

Parent Communication • Conflict Resolution • Setting Boundaries
• Feeding/Diapering Infants and Children • Infant Safe Sleep Practices
and SIDS Awareness • Telephone Safety • Recognizing an Emergency
and Basic First Aid • Keeping Kids Entertained and Active
